

MODERNIZATION & LABS

Emphasizing on practical learning, the Kendriya Vidyalaya Sangathan (KVS) has decided to modernise the science and mathematics laboratories in its schools at a cost of Rs 110 crore. .

Commissioner of KVS is of the view that modernisation of the school laboratories is one of the major activities of the Sangathan .

The National Council of Educational, Research and Training, CBSE and other agencies will provide advanced kits to the labs of the schools. The labs will also have internet connectivity to facilitate students with an access to online laboratories. The main purpose behind upgrading the laboratories is to make practical learning more interesting and contemporary.
